

TASK 2 - DIGITAL PORTFOLIO

LinkedIn:- www.linkedin.com/in/snehaldixitofficial

The image displays a LinkedIn profile for Snehaldixit, a Co-Founder at Spendture and a B.Tech. student specializing in Computational Data Science. The profile includes a banner image with the text "Hi, I am Snehaldixit Let's Connect", a profile picture, and a list of skills: Music, Entrepreneurship, Artificial Intelligence (AI), Machine Learning, and Data Science. The activity feed shows two posts: one about completing an internship as a Data Science Intern and another about the team Pawstitive Innovators securing 6th place at the 24-Hour National Level. The right sidebar features a "Who your viewers also viewed" section with profiles of Adil Sukumar, Geetesh Parashar, Abhishek S R, Bhumika Aswal, Atharva Dandwate, Arshia Mahajan, and Abhisek Das.

About:

I love exploring the space where creativity meets technology. As a recipient of the V.N. Bhatkhande Sangeet Samman Award, music has taught me discipline and the joy of expression. On the other side, I thrive in building ideas—whether through entrepreneurship, solving problems with AI/ML and data science, or winning the 2025 Hackathon at VIT with a great team.

Fluent in English, and Hindi with a moderate fluency in French, I enjoy connecting with people across cultures and sharing perspectives. At heart, I'm curious, driven, and excited about creating meaningful impact by blending art, innovation, and technology.

The screenshot shows the GitHub profile page for 'snehaldixitofficial'. The profile picture is a circular logo with the name 'Snehal DIXIT' and a heart. The bio lists interests like Coding, Innovation, Visionary, Exploring, Creating, Evolving, Technology, Curiosity, Imagination, and Turning concepts into reality. The 'About Me' section includes a bio, a list of skills (Python, JavaScript, C++, etc.), and a 'Tech Stack' section with icons for various technologies. The 'Repositories' section shows a single repository named 'snehaldixitofficial' with a README file.

Snehal Dixit
snehaldixitofficial · she/her

Code | Innovator | Visionary
Exploring | Creating | Evolving
Technology | Curiosity | Imagination | Turning concepts into reality

About Me:

- Hi, I'm Snehal Dixit
- AKA: @SnehalDixitOfficial
- I'm interested in programming and hardware (yes, interesting!).
- I'm currently learning C++, Python, and Full Stack Web Development.
- I'm looking to collaborate on AI-related open-source projects.
- My Website: <https://snehaldixitwebsite.vercel.app/>
- How to reach me: snehaldixit237@gmail.com
- Pronouns: She/Her

Tech Stack:

PYTHON, ESP32, ARDUINO, HTML5, CSS3, JAVASCRIPT, SUPABASE, AWS, FIREBASE, GIT, VS CODE, C++, LINUX, PYTORCH, DOCKER

The screenshot shows the GitHub repository page for 'snehaldixitofficial'. The repository is named 'snehaldixitofficial' and has a README file. The README content includes a greeting, education details, and sections for 'About Me', 'What I'm Learning', and 'Goals'. The 'About Me' section describes the user as a first-year CSE student. The 'What I'm Learning' section lists topics like programming fundamentals and data structures. The 'Goals' section lists goals like building meaningful projects and gaining hands-on experience. The 'What I want to Learn' section lists areas like computer science, data science, and development. The 'Connect with Me' section lists links to LinkedIn and GitHub.

Hi, I'm Snehal Dixit

Integrated M.Tech in Computational And Data Science and Engineering
Specialization: Computational & Data Science
VIT Bhopal University
Year: 1st Year

About Me

I'm a first-year CSE student with a strong interest in technology and innovation. I enjoy exploring how ideas can be turned into real-world solutions, whether through coding, hardware, or building projects from scratch. I'm especially interested in problem-solving and thinking through practical use cases rather than just theory.

What I'm Learning

- Programming fundamentals and data structures

Goals

- Build meaningful projects that solve real problems
- Gain hands-on experience through internships and hackathons
- Continuously improve my technical and problem-solving skills

What I want to Learn

I want to develop a strong foundation in computer science while also exploring areas like data science, development, and emerging technologies. My goal is to become someone who can not only understand systems but also build and improve them.

Connect with Me

- LinkedIn: www.linkedin.com/in/snehaldixitofficial
- GitHub: <https://github.com/snehaldixitofficial>

This block continues the content from the previous screenshot, showing the 'What I'm Learning' and 'Goals' sections of the README file. The 'What I'm Learning' section lists topics like programming fundamentals and data structures. The 'Goals' section lists goals like building meaningful projects and gaining hands-on experience. The 'What I want to Learn' section lists areas like computer science, data science, and development. The 'Connect with Me' section lists links to LinkedIn and GitHub.

What I'm Learning

- Programming fundamentals and data structures
- Basics of data science and analytics
- Working with projects that combine software and real-world applications

Goals

- Build meaningful projects that solve real problems
- Gain hands-on experience through internships and hackathons
- Continuously improve my technical and problem-solving skills

What I want to Learn

I want to develop a strong foundation in computer science while also exploring areas like data science, development, and emerging technologies. My goal is to become someone who can not only understand systems but also build and improve them.

Stack Overflow: -

The screenshot shows the Stack Overflow profile page for user Snehal Dixit. The interface is dark-themed. On the left is a sidebar with navigation links: Home, Questions, AI Assist, Tags, Saves, Challenges, Chat, Articles, Users, Companies, COLLECTIVES, and STACK INTERNAL. The main content area displays the user's profile information, including a green geometric profile picture, the name 'Snehal Dixit', the title 'Student', and membership details. Below this are tabs for Profile, Activity, Saves, and Settings. The 'Stats' section shows 1 reputation, 0 reached, 0 answers, and 0 questions. The 'About' section contains a bio and a link to the user's website. The 'Badges' section shows three badge categories: gold (not earned), silver (not earned), and bronze (1 earned: Autobiographer). The 'Communities' section shows the user is a member of Stack Overflow. The 'Posts' section is partially visible at the bottom.
